## Consent for Services

The undersigned hereby authorizes Elite Dental to order x-rays, study models, photographs and/or any other diagnostic aids deemed appropriate by us to make a thorough diagnosis of the patients dental needs. I authorize The Smile Doctor to perform all recommended treatment mutually agreed upon by me and to use the appropriate medication and therapy indicated for such treatment. I authorize and consent that Elite Dental choose and employ such assistance as deemed fit to provide recommended treatment.

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment. Following diagnosis we will advise you of our treatment plan for you. After mutual agreement on your treatment plan, treatment will be rendered.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for at the time services are performed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company. Should the insurance company decide not to contribute or pay less than the "guesstimate", you, the patient will be responsible for any difference owed. You will be presented various financial options and given an opportunity to select the plan that best suits your needs.

A service charge of 1½% per month (18% per year) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I understand that the fee estimate listed for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me, or at my request, by Elite Dental, I agree to pay therefore the reasonable value of said services to Elite Dental, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form.

To the best of my knowledge, all of the preceding answers and information provided are true and correct. If I ever have any change in my health and information on this form, I will inform the doctor at the next appointment without fail.

I have read the above conditions of treatment and payment and agree to their content.

## Rescheduling Notice

**To be able to serve all patients with the same commitment, keep in mind that schedule appointments are extremely precious. **Missed appointments without a 2-business day's notice will be charged at the rate of \$50 for each hour scheduled. Please remember that other patients may have needed your scheduled time.**
