

New Office Policies

Little Giggles Dentistry is strictly adhering to all recommended infection control protocols as recommended by CDC and OSHA guidelines to keep all our patients and staff safe from COVID-19

- Upon arrival, contact us and remain in your vehicle until you are instructed to come inside the office.
- You will be asked to complete a Covid-19 screening questionnaire and we will take your's and your child's temperature.
- Use hand sanitizer or you may be asked to wash your hands.
- You are required to wear a face mask at all times during your child's appointment, please request if you need one.
- We will no longer offer children's toys or tablets, since they are difficult to clean and disinfect.
- For the health and safety of our staff, we only allow one parent to accompany their child. If the child is old enough, you will be asked to stay in the waiting room during their treatment to minimize exposure to aerosols.
- To allow for social distancing, we will be scheduling fewer appointments with limited scheduling options.
- Siblings will be seen one after the other to minimize interactions with other patients and reduce usage of required personal protective equipment (PPE).
- To accommodate all missed appointments during closure. We are enforcing our cancelation policy fee of \$35 if your appointment is canceled without a 24 notice.

Thank you for understanding our efforts to keep you, every patient, and our staff safe. We look forward to seeing your children.

Sincerely,

Little Giggles Pediatric Dentistry
