

# Two Day Seminar

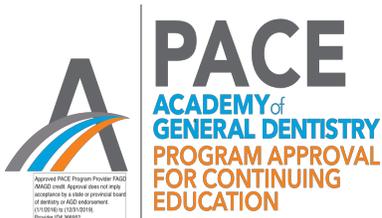

## About Terri Bradley

Terri Bradley, CPC is the owner of Terri Bradley Consulting and OMS Billing Solutions. With a hands-on background spanning more than 30 years Terri is a practice management expert devoted to her clients. She is highly sought after for speaking engagements offering medical/dental/OMS coding and billing workshops across the country.

Her publications include "Coding, Billing and Third Party Payers" in the *Fonseca Oral and Maxillofacial Surgery* textbook 3<sup>rd</sup> edition, Vol. 1, 2017, *Dictations and Coding in Oral and Maxillofacial Surgery* which she co-authored in 2017 and she is a contributing author in the *CDT Coding Companion: Help Guide for the Dental Team* 2017, 2018 and 2019.

Terri's seminar "Untangling the Web of OMS Billing" is also a 6 hour, 10 section video available for purchase.

**April 30 and May 1, 2019**

**Straumann Facility Auditorium 60 Minuteman Road,  
Andover, MA 01810. Hours: 8:30 am - 4:00 pm - lunch included.**

**Attend Day 1, Day 2 or both. Full details on the registration sheet**

**Are you looking for a course designed exclusively for OMS practices that can keep you current on updates and changes in the insurance industry?**

**If you answered yes, then you are not alone and this two day seminar is for you!**

## **Day 1 - Untangling the Web of Oral and Maxillofacial Surgery Billing:**

This portion of the course will draw on Terri's 30+ years of experience with medical/dental cross coding and billing for OMS Practices. Attendees will cover: the correct coding principles and guidelines for diagnostic and procedure coding seen most often in OMS practices. This includes: coding for grafting and implants, oral pathology, trauma, orthognathic, oral appliances, radiology and anesthesia. We will walk through scenarios on all of these topics, when and how to use modifiers appropriately and when to use a dental code versus a medical code. We'll also examine updates on industry changes that may impact your practice.

### **Learning Objectives:**

- How to locate, prioritize, and report ICD-10-CM codes.
- How to code for implants and grafting to both medical and dental insurance carriers.
- How to understand global surgical packages and the impact of how and what to bill.
- When to use modifiers and which ones to use.
- How to code for oral pathology services.
- How to code for OMS procedures (trauma, infection, anesthesia, etc.).

## **Day 2\* – A 360° Review of Your Accounts Receivable:**

\*For those who have attended Terri's seminar before (or an equivalent AAOMS course):

Attend this dynamic, round table, in-depth session to learn what you can do now for your office to increase reimbursement and revenue. We will conduct a detailed overview of the entire A/R process from the first phone call to the office to the final patient statement. Attendees will work through each role in the office as well as scenarios (submitted in advance – 2 per office maximum).

Let's untangle this together!

### **Learning Objectives:**

- How to manage each role in the practice.
- Managing the reports and numbers.
- Claims processing (including Medicare).
- Appeals (when and how to appeal).
- Coordination of benefits.
- Insurance industry changes.
- Reimbursement issues and questions.
