

****WRITTEN FINANCIAL POLICY****

Thank you for choosing Batesville Dental. Our primary mission is to deliver the best and most comprehensive dental care at an affordable price. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

Payment Options:

You can choose from:

-Cash, Check, Visa, Mastercard, or Discover

-NO INTEREST* Payment Plans* from CareCredit

Allow you to pay over time with NO INTEREST*

Convenient, low monthly payment plans* also available

No annual fees or pre-payment penalties

Please note:

Batesville Dental requires payment prior to or immediately after your treatment. If you choose to discontinue care before treatment is complete, your refund will be determined upon review of your case.

For larger, more comprehensive treatment plans of \$250 or more, a deposit may be required to secure your treatment appointment.

For patients with dental insurance, we are happy to work with your carrier to maximize your benefits and directly bill them for reimbursement for your treatment. Only your insurance company can address insurance benefit coverage or billing issues. It is the patient's responsibility to know what his/her insurance coverage and benefits are. Each dentist's office works with several insurance companies and cannot guarantee what each patient's provides. The contract is between you and the insurance company. We only provide dental treatment. But, we are here to help you in anyway possible.

A fee of \$25.00 is charged for patients who miss or cancel more than 2 times in a calendar year without 24-hour notice.

A fee of \$5.00 is charged per month for accounts older than 60 days and any collection expenses of services rendered will be passed onto the delinquent account.

Batesville Dental charges \$50 for returned checks.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want or need.

Sincerely,

Bradley P. Broughton, DDS
Cynthia A. Ledermeier, DDS
